

Vie is inspired by the elegance of French Provençal design with every facet, from the imported Italian mosaic to the soft lounge seating and custom built lights and staging, designed to impress your guests. Located just north of City Hall, Vie offers all the vibrance and amenities of Center City Philadelphia. As Cescaphe Event Group's largest venue, Vie allows for grand affairs while still providing an intimate feeling that shows off each couple's love for one another.

A CESCAPHE AFFAIR

Cescaphe's mission is to create once-in-a-lifetime, distinctive events with genuine care and passion, treating our guests like family as we exceed their expectations. Our wedding packages are all-inclusive, allowing couples to relax and enjoy the planning process, knowing that they will have a premium wedding experience while receiving the highest in quality and service. As Philadelphia's Premier Wedding Brand, we host only one event, per venue, per day, therefore making the day exclusively yours.

CEREMONY

When you opt to host your ceremony at Vie we will add an additional half hour to your six hour affair.

Vie provides a setting for beautiful, intimate wedding ceremonies in both our modern ballroom and in our private outdoor courtyard. Inside, sheer curtains and elegant draping offer a warm and classic feel, while amber lighting from the oversized chandeliers and heavy metallic draping add a touch of drama to the Bride's walk up the long aisle.

Outside in our courtyard, guests enjoy perfect views of the ceremony on our built-in stage. They will be enchanted by our décor of plush greenery and hanging chandeliers, which create a magical scene, while exposed brick and steel columns offer a structural styling.

COCKTAILS

Vie weddings feature Cescaphe signature cocktail hour—and-a-half. The venue features three separate cocktail spaces — Foyer, Mosaic Room, and Lounge. The Foyer serves as the entryway to Vie, as well as your first cocktail hour space. Here you will find two full service bars and two chef-attended interactive stations.

The Mosaic Room is only a few steps away from the foyer and features a one-of-a-kind imported Italian mosaic. The third cocktail space, the Lounge, is located just past the mosaic wall and is beautifully furnished with silver and teal arm chairs, white coffee tables and stools, and votive candles on each table. The lounge also boasts a forty-foot long food library, featuring a customizable ice sculpture and famous raw bar, as well as a full service, 360° bar.

RECEPTION

Vie receptions are hosted in the Grand Ballroom. The modern French design includes a lattice ceiling and a built-in stage and state-of-the-art AV equipment to further enhance your special day.
