

Atrium At Curtis Center

The Curtis Center may no longer host the printing presses of the industrial age, but its classic regal charm remains. This is evident in each hand carved marble accent, palatial alabaster columns and opulent stained glass windows. Located across from Washington Square near Independence Mall, the Curtis Center is on the list of Philadelphia's most historic spaces, allowing guests to soak in the rich history of Colonial Old City as they enter the 12-story Atrium with its 750 sq ft Tiffany mosaic mural. This exquisite venue becomes the backdrop for the unparalleled events Cescaphe Event Group is known for.

A CESCAPHE AFFAIR

Cescaphe's mission is to create once-in-a-lifetime, distinctive events with genuine care and passion, treating our guests like family as we exceed their expectations. Our wedding packages are all-inclusive, allowing couples to relax and enjoy the planning process, knowing that they will have a premium wedding experience while receiving the highest in quality and service. As Philadelphia's Premier Wedding Brand, we host only one event, per venue, per day, therefore making the day exclusively yours.

CEREMONY

When you opt to host your ceremony at Atrium, we will add an additional half hour to your six hour affair.

The Atrium at Curtis Center provides a sophisticated yet dramatic background for your ceremony. The stage is set for magic in this unique venue with its high, glass ceilings and gorgeous flowing fountain. Guests will be captivated by the beauty of the space and the ceremonial elegance as the Bride proceeds down the 120-foot aisle.

COCKTAILS

Atrium at Curtis Center weddings feature Cescaphe's signature cocktail hour-and-a-half. The Curtis Center features three separate cocktail spaces — Veranda, Hallway Lounges, and Main Cocktail Room. The Veranda serves as the entryway to the Curtis Center and overlooks Independence Square Park. The Hallway Lounges are furnished with a mix of high top tables with white chiavari bar stools and white leather chairs and ottomans. The Main Cocktail Room is set in front of the historic Tiffany Mosaic Dream Garden.

RECEPTION

Atrium at Curtis Center receptions are hosted in the 12-story Atrium. This space features lavishly elegant white and black marble floors that are accentuated by dramatic sheer white draping. Couples may decorate further with beautiful up lighting and crystal chandeliers. At the Curtis Center, the food, service, attention to detail and professional planning and coordination of each affair are at the highest level of perfection, which defines Cescaphe Event Group.
